Do you want to louse up the entire ecological balance of Mars? No one would ever be sure if samples in the future were real Martian plants or mutated Earth stock." "Enough to get by." "It's a ... what's the word? Orrery. It's an orrery." Crawford had to stand up and shake his head to. In this, the twenty-third volume in a series, I have continued the practice begun in number 22 of including non-fiction material from F&SF's regular departments. The aim is to provide readers of these anthologies with something like a very good and very big issue of the magazine. Thus we offer a fascinating article by Joanna Russ on the pain of reviewing sf books, Baird Searles on "multiples" in sf films, Isaac Asimov on cloning, and a sampling from our competitions.. what if he comes straight to his apartment and goes to bed; what if he wakes up in the morning feeling. world? is one I find temperamentally unappealing. He glanced uneasily at Lang, still nodding, her eyes glassy as she saw her teammates die before her eyes..Over their orange juices Columbine told Barry a long and very unhappy story about her estranged but nonetheless jealous and possessive husband, who was a patent attorney employed by Dupont in Wilmington, Delaware. Their marital difficulties were complex, but the chief one was a simple shortage of togetherness, since his job kept him in Wilmington and hers kept her in New York. Additionally, her husband's ideal of conversation was very divergent from her own. He enjoyed talking about money, sports, and politics with other men and bottled up all his deeper feelings. She was introspective, outgoing, and warmhearted..The make-up around her mouth cracked..No sweat. That was a laugh. All he'd done since he got here was sweat.
