I offered her myself and my runabout to move her luggage from the cabletrain station. She accepted, and while we collected the luggage, including a huge trunk that almost filled the car, I did my best to be kind and amusing. Finally, she started glowing again. She spotted his bright red suit. Dramatization is another. I (like many reviewers) often stage a little play called The Adventures of Byline. Byline (or "1") is the same species of creature as the Kindly Editor or the Good Doctor, who appear from time to time in these pages. That is, she is a form of shorthand. When Byline rewrites story X, that doesn't mean that I?the real, historical personage? actually did or will or wish to rewrite story X, or that I expect its real, historical author to rewrite it to Byline's prescription, any more than my saying that "my" copy of Bug Jack Ban-on tried to punch "me" in the nose means that such an event really happened. Pauline Kael's Movie Loon is another such fiction; these little creatures we send scurrying about the page are not our real, live selves, and their exploits are dictated more by the exigencies of our form than by a desire for personal glory.. "Right?when you get it, you know where you can find us. We're always here on the same settee.. "Fine," he says. "About a minute, stand by. Ms. Snow wants to say hello.. The sultan's palaces, Greek temples, antebellum mansions, and Norman castles I bypassed with the contempt such common tawdriness deserved. Instead, I let her stare wide-eyed at constructions like the Tree House, whose rooms unfolded like flowers along branching stairways spreading up and out from the ground-level entrance unit. There were the grottoes and galleries of The Cavern, carved into the cliffs above the Lunamere, and the jigsaw-stacked rooms of The Funhouse..rely on things you can't learn in a simulator.
